FORMS OF SUPPORTING LIFELONG EDUCATION AMONG ADULT LEARNERS - THE POLISH PRACTICE

THE LIFELONG EDUCATION CENTER – A CHANCE TO OBTAIN GENERAL KNOWLEDGE AND PROFESSIONAL EDUCATION

The Lifelong Education Center No. 5 in Warsaw (Poland) enables adult people to return to active life by means of completing their education – i.e. acquiring general or professional knowledge.

FORMS OF SUPPORTING LIFELONG EDUCATION AMONG ADULT LEARNERS

Lifelong education is being promoted among learners by:

- ✦ Adjusting the school's education offer to labour market requirements.

FORMS OF SUPPORTING LIFELONG EDUCATION AMONG ADULT LEARNERS

Hiring professional teaching staff. All teachers have higher education with M.A. Diplomas in pedagogy and adult pedagogy. Teachers possess skills which help them properly motivate the adults to take up learning as well as support the learners who are inclined to give up school learning due to family, social or employment problems.

FORMS OF SUPPORTING LIFELONG EDUCATION AMONG ADULT LEARNERS

Providing educationist's assistance

The educationist

- ✘ Helps learners to obtain social stipends if they cannot afford buying books, textbooks, teaching aids.
- ✘ Diagnoses learners' environment, supports the learners and arranges for them to apply those institutions which render various kinds of help and assistance.

FORMS OF SUPPORTING LIFELONG EDUCATION AMONG ADULT LEARNERS

Providing vocational advisor's assistance

The vocational advisor:

- ✘ Runs vocational competence tests,
- ✘ Encourages the learners for career/job mobility, to take up learning, to acquire vocational skills.

LIFELONG EDUCATION EMBRACES SHORT OFF-SCHOOL FORMS OF TRAINING

We encourage learners to take up courses which enable them acquire new vocational skills attractive on the labour market.

Our offer includes specialized skills courses, e.g.:

- ✘ cash register service,
- ✘ web page design,
- ✘ small catering industry,
- ✘ waiting at table,
- ✘ running secretary's office.

OFF-SCHOOL FORMS OF TRAINING

- ✘ Off-school forms of training provide learners with opportunities of quick acquisition of new skills which help them find their feet on the labour market.
